Dear Sir,

With reference to our personal conversation yeste regarding the introduction of one way traffic near Seshadr Memorial Hall in the Cubbon Park, I write to state that it introduced under the personal instructions of the Dewan or Accordingly Notice Boards were put up and one of the garde Staff deputed to direct the traffic. It was found difficu for a labourer to direct the traffic and hence the Assista Superintendent when I was away at Madras, wrote to the Pol Department to depute a Traffic Constable.

Yours Sincerely,
M.K. Sitaram Chetty

7) It was unsatisfactory that the Dept should have slept over the matter for a whole year and then sought to introduce the new arrangement in such an abrupt manner. Action may now be taken to give effect to the arrangement after giving due publicity to the public. If the Member agrees, the draft may be revised accordingly.

19)	A copy of the Police Regulation is put up herewith for perusal. Section 36 relates to the power of the Dt Magte to make rules regulating traffic and section 56 relates to the punishment for certain street offences & nuisance 2) But in neither of these sections there is reference for regulating particular course for traffic in public places. It is not known whether there is any provision for regulating particular course of traffic in public places, ~~It is for orders whether~~ in the Regulation or rules for ~~the~~ good traffic ~~is~~ for orders whether there is any provision in the Regulation or the rules for directing such traffic in public places and also intimate whether the power to regulate such traffic

has to be exercised only by the District Magistrate or it can be done by any other authority subordinate to or connected with the locality both with regard to Penal & above

20) The point at issue is whether an order by the D.M. Nasik giving notice & the public is necessary to introduce one-way traffic near the Sheshadri Memorial Hall.

22) Clause (n) of Sub-section (1) of S 36 of the police Regulation seems to have a bearing on the question raised. Under this cl., the D.M. Nasik has power to make rules or orders to regulate the movement of persons, animals and vehicles at such times and such places at which, in his opinion, special regulation may be necessary for the public safety and convenience. So far as I can see there is no other provision under this Regulation. The Law Secretary and the Secy. Traffic Bo. may be consulted if approved.

26) No reference was received from the Police Dept in regard to the introduction of one way traffic near the City Market, Bangalore. The one way traffic seems to have been introduced in 1931 as an experimental measure & is being continued since then.
